

Quick Draws: Print on computer paper and cut out. Provide 5-6 per student (replenish often!). Use as a space for students to visually process the lesson. Good in all content areas. Alternately you can use these slips for Quick Writes if you prefer no lines.

A large rectangular area defined by a dotted border, divided into three horizontal sections by two horizontal dotted lines. The top section is approximately one-third of the height, the middle section is approximately one-third, and the bottom section is approximately one-third. This layout is intended for students to draw or write in response to a lesson.
