

**Quick Writes:** Print on computer paper, cut out. Provide 5-6 per student (replenish often!). Useful in all content areas for students to quickly process the lesson.

The image shows a template for 'Quick Writes' consisting of three identical sections. Each section is enclosed in a dashed border and contains five horizontal lines for writing. The sections are arranged vertically, with a dashed line separating each section. The first section is at the top, the second in the middle, and the third at the bottom. Each section is designed to be cut out and used by students for quick writing exercises.
