

Name _____

Reading Response Quick-Write

Word Bank

A large rectangular writing area with a decorative border of small circles. Inside the border are 15 horizontal lines for writing.

Name _____

Reading Response Quick-Write

A large rectangular frame with a decorative, scalloped border. Inside the frame, there are 18 horizontal lines for writing, arranged in a single column. The lines are evenly spaced and extend across most of the width of the frame.

Name _____

Science Quick-Write

Word Bank

A large rectangular writing area with a decorative border. The border consists of a double-line frame with rounded corners. Inside the frame, there are 15 horizontal lines for writing, spaced evenly down the page.

Name _____

Science Quick-Write

A large rectangular writing area with a decorative border. The border consists of a thick outer line and a thinner inner line, with rounded corners. Inside the inner border, there are 20 horizontal lines for writing, spaced evenly. The corners of the writing area are marked with small black squares.

Name _____

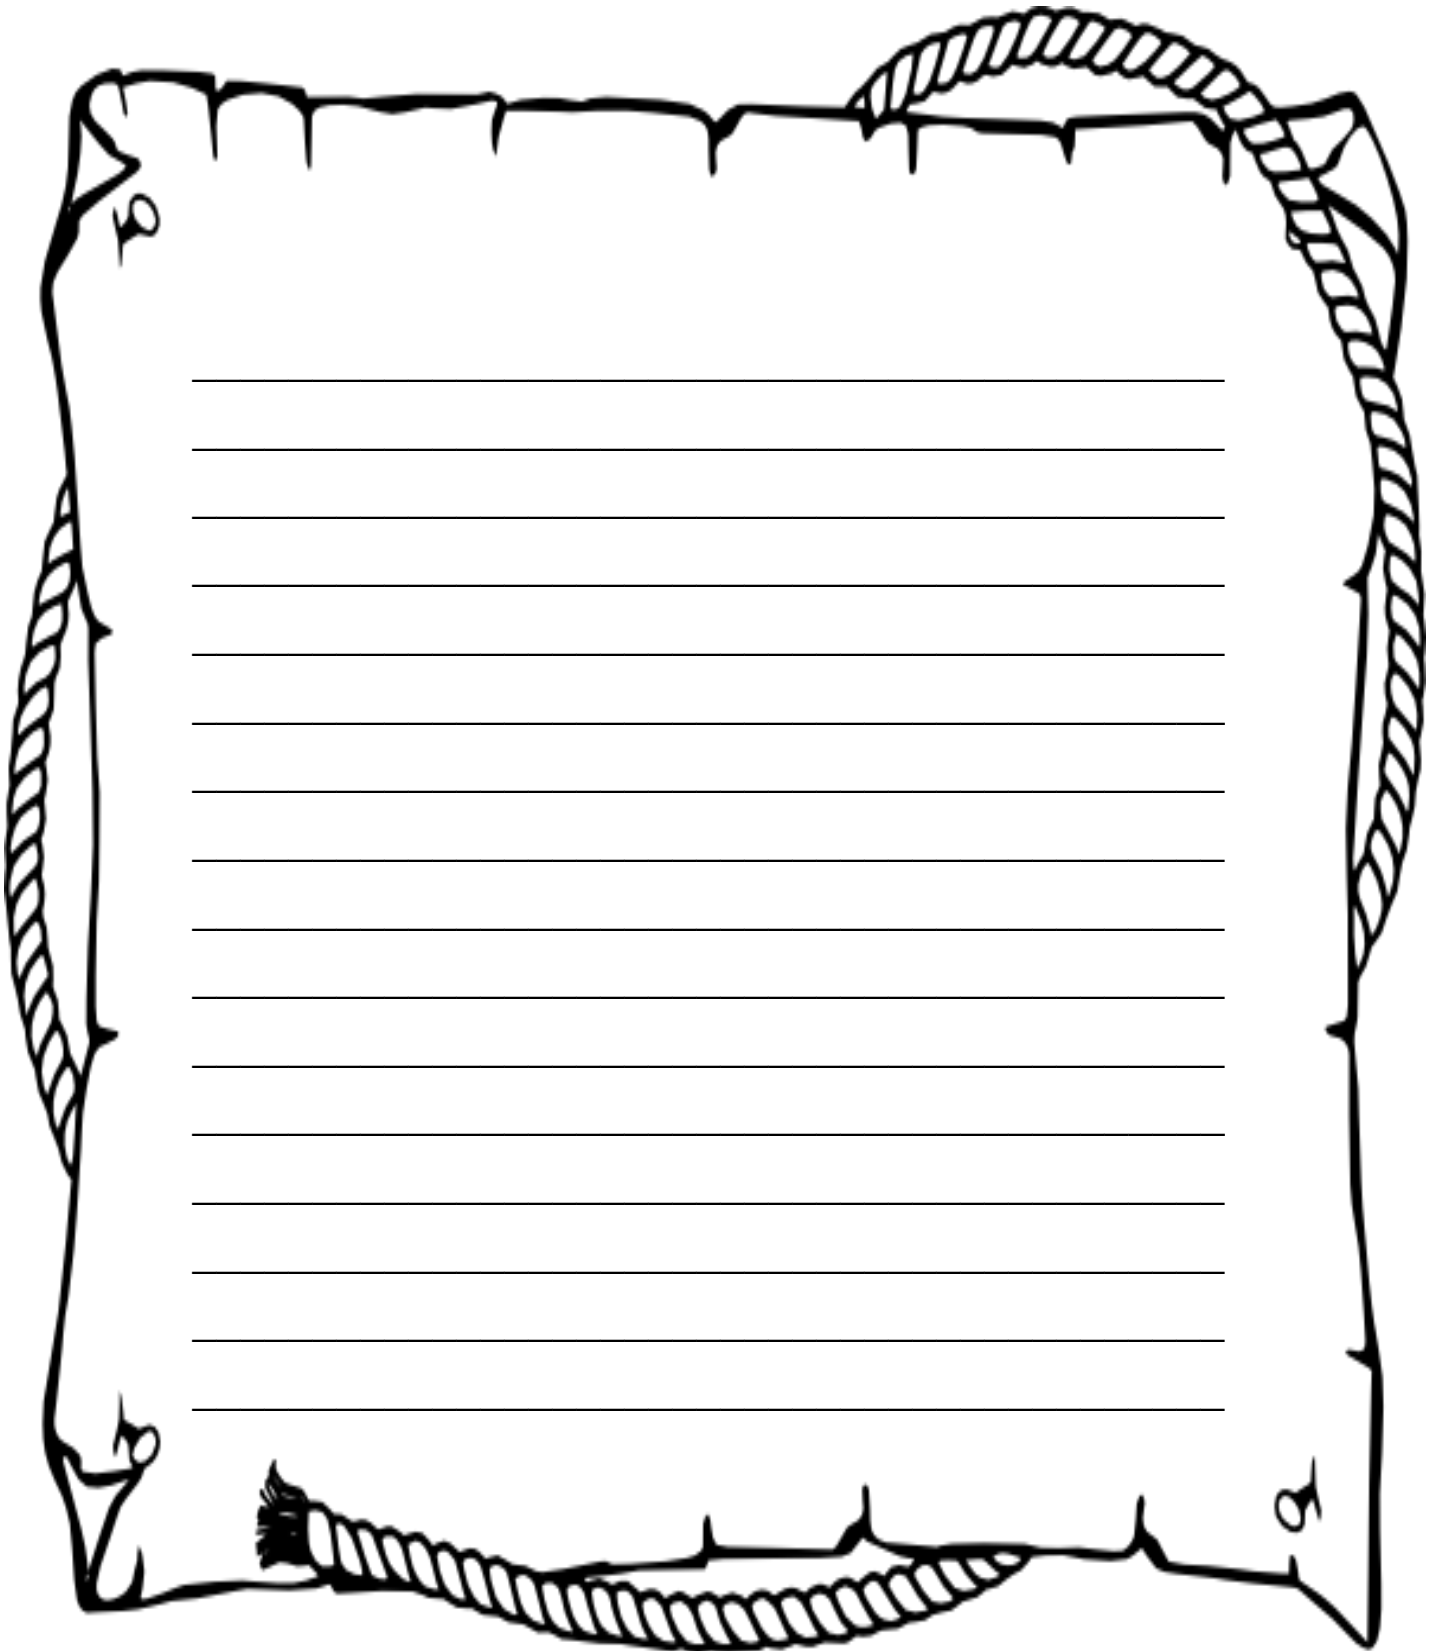

Social Studies Quick-Write

Word Bank

A large, hand-drawn scroll with a rope-like border. The scroll is rectangular with slightly irregular edges. The border is made of a thick, braided rope. The central area of the scroll is filled with horizontal lines for writing. There are small, stylized figures or symbols at the corners of the scroll, possibly representing knots or decorative elements.

Name _____

Social Studies Quick-Write

A decorative border with a rope-like pattern and a scalloped top edge, framing a central area with horizontal lines for writing. The border is drawn with thick black lines. The top edge is scalloped, while the other three sides are straight with a rope-like texture. The central area contains 18 horizontal lines for writing. There are small decorative flourishes at the corners: a small 'P' in the top-left, a small 'Q' in the bottom-right, and a small 'R' in the bottom-left.

NAME _____

MATH QUICK-WRITE

WORD BANK

A large 3D rectangular box is shown, oriented vertically. The front face of the box is a rectangle containing ten horizontal lines for writing. The top and right sides of the box are shown as receding into the distance, creating a perspective effect. The box is outlined with a thick black border.

NAME _____

MATH QUICK-WRITE

A large, 3D-style box-like structure is centered on the page. The front face of the box is a vertical rectangle containing 18 horizontal lines for writing. The top and bottom edges of the box are slanted, and the right side is a vertical line, giving it a perspective effect. The entire structure is outlined with a thick black border.
