SKETCH AND TELL

Review the lesson then create a summarizing diagram, chart, or illustration using only the shapes, lines, and text features in Google Slides; then explain what you created.

EXPLAIN WHAT YOU CREATED

Annotate [CLICK HERE FOR READINGS](#)

Tell

Use the Annotate tool to highlight text in the passage and add notes. Then, use the Tell tool to write a summary of the passage.

Using AutoDraw, create an image of **<insert your topic of choice here>** (when done on AutoDraw, go to Menu and then click Download. Come back here, then Insert -> Image -> Upload from Computer)

Share your drawing with a partner. Explain the image(s) you chose and how they relate to our topic. Switch drawings. Below, write a summary of what you and your partner learned today.

Upload/paste your image here.

Compose a brief summary of what you and your partner learned today.

SKETCH & TELL: <insert your topic of choice here>
